NOTICE WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any other purpose other than private study, scholarship, or research". If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use", that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

PERMISSION TO FURTHER REPRODUCE OR PUBLISH manuscript material must also be obtained from the owners, whether the American Baptist Historical Society or related denominational bodies for which ABHS is the repository.

I declare that I am aware of copyright limitations on photocopying and that the above request for photocopying is for the purposes of research or private study only.
